

SOUTHERN ALBERTA CHAPTER

Volunteer Opportunity

Treasurer Position – Board of Directors

The Canadian Parks and Wilderness Society (CPAWS) is Canada's pre-eminent, national community-based voice for public wilderness protection. Since 1963 CPAWS has taken a lead role in establishing two-thirds of Canada's protected wild spaces -- an area over seven times the size of Nova Scotia.

CPAWS envisages a healthy ecosphere where people experience and respect natural ecosystems.

CPAWS believes that by ensuring the health of the parts, we ensure the health of the whole, which is our health too.

In Southern Alberta one of our goals is to secure the components necessary to maintain or restore ecological integrity on the eastern slopes of the Canadian Rocky Mountains. This requires the completion of a proper network of protected areas, set within a properly managed working landscape on which wildlife may thrive, and through which wildlife can move.

Based in Calgary, the Southern Alberta Chapter of CPAWS is a not-for-profit organization incorporated under the Alberta Societies Act and is one of 13 CPAWS chapters. If your values, beliefs and passion about the stewardship and protection of our wilderness and parks align with those of CPAWS and you have a financial background (BCom, CA, CGA or CMA), we have an opportunity for you.

As a member of the Board Executive Committee, the opportunity will appeal to those who wish to play a hands-on volunteer role helping provide financial perspective on the financial affairs of the chapter including assistance to the part-time bookkeeper in the preparation of monthly financial statements. Reporting financial results to the full Board on a monthly basis as well as providing financial support to the Executive Director are key aspects of this position.

If this challenge to make a difference in a leading and results oriented organization is what you are looking for, let's discuss how you can join our Board of Directors.

Please send a resume to the attention of Gord James, Board Chairperson at:
